

Order no. 48315-13
+ 48015-711R (combination lock)

Security compartment:
With foam rubber mat inside to protect valuables when the door is closed (insertion slot above the door). Important details on model 48315: The security compartment door does not project beyond the housing when opened, thus keeping the passageway clear (= safety even during hectic changing situations).

Hook rail on the side:
With three additional sliding stainless steel hooks, for example for safety harness, respirator mask, etc.

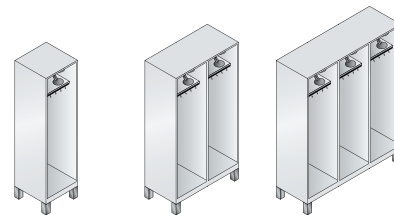

Fire service lockers

on feet 150 mm high, compartment width 500 mm, with the following equipment: foldable helmet holder inside on the top right, storage shelf or optionally security compartment inside on the top left. Below that a coat rail with 4 hooks, hook rail on the side with 3 sliding hooks for safety harness, etc., bottom can be swept out smoothly. Housing prepared for mounting intermediate parts 48415-701/-702 from page 553

Internal dimensions of helmet compartment:
320 x 250 (H x W)

Internal dimensions from coat rail to bottom of locker:
1360 x 445 x 565 mm (H x W x D)

Height 2000 mm
Depth 600 mm

The S 3000 Evolo fire service wardrobes offer:

- **Increased anti-burglary protection thanks to extremely warp resistant doors**
- Durable steel structure
- Doors hinged right or left, on bolt hinges, with easy-to-clean hole pattern and embossed label holder for optional integration of numbering
- Convenient doorstop silencers for pleasant closing behavior
- Interior is easy to clean because compartment shelves can be swept out smoothly
- Full-height compartments with hat shelf, below that a sturdy wardrobe rail made of oval profile, 3 twist-proof hooks with system holder, e.g. for coat hangers or movable partitions
- Ergonomic safety turning bolt latch for padlock with door protection as practical basic fittings
- **Locker feet (color black) made of plastic = improved corrosion protection!**
- Intermediate parts made of stainless steel with a sturdy coat rail, 2 or 4 helmet holders, 4 or 8 coat hangers, and shoe rack. Furthermore, 2 hook rails on the side with 3 additional sliding stainless steel hooks
