Details and options:

Cover plate:
Durable DBS cover plates protect the top of the half-height lockers.

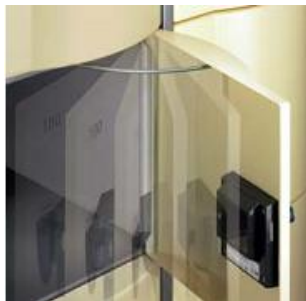

Power supply:
As an option, each compartment can be fitted with two 230 V sockets to recharge laptops or mobile phones in no time.

Lighting:
Optional interior LED to light up even the darkest corners.

Tamper proof:
The 1.5 mm curved steel doors make Resisto extremely sturdy.

Door opening limiter 80°:
Prevents damage to the door of the adjacent Resisto locker. Also available with automatic door closure.
