POLAR 4 Deflection Heads

## POLAR Deflection Heads

5 POLAR Deflection Heads

## Deflection Heads

2-part and 3-part Deflection Head Components

Single Glazed 2-part Deflection Head ±15mm **Partitioning System** inner head track SJ167 (3.6m length) glazing head track SJ169 (3.6m length) 3-part Deflection Head ±15mm outer head track SJ165 (3.6m length inner head track SJ167 (3.6m length) glazing head track SJ171 (3.6m length) **Double Glazed** 3-part Deflection Head ±15mm **Partitioning System** outer head track SJ165 (3.6m length) inner head track SJ167 (3.6m length) glazing head track DGP40 (3.6m length) **Tapeable Drywall** 3-part Deflection Head ±15mm outer head track SJ165 (3.6m length) inner head track SJ167 (3.6m length) solid head track PSQ60 (3.6m length)

## POLAR Deflection Heads

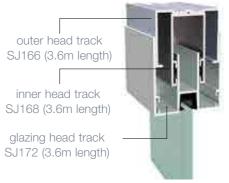

## 2-part Deflection Head ±25mm

inner head track SJ168 (3.6m length)

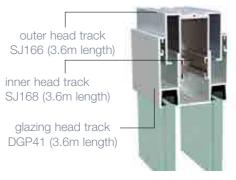

glazing head track SJ170 (3.6m length)

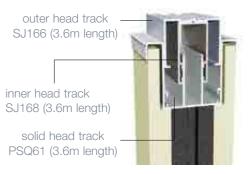

3-part Deflection Head ±25mm

3-part Deflection Head ±25mm

3-part Deflection Head ±25mm
